

Yukon Freestyle Bingo Information Sheet

Bingo Days, Times & Location

- a) Sunday Evenings
- b) 3:30pm to ~ 8:30 pm
- c) September to June
- d) The Elks Hall (401 Hawkins Street)

To run YFSA bingos, we require our athletes and parents to work a set number of bingos, depending on which program the athlete is enrolled in. Working bingos helps to subsidize athlete registration and fundraise for the club.

Reason's why Freestyle Yukon loves running bingos?

- a) Great fundraiser for the club
 - (i) Makes registration more affordable
 - (ii) Pays for YFSA facilities rent (trampoline room, ski trailer)
 - (iii) Pays for operation & maintenance of YFSA facilities (tramp room power, airbag, generator gas)
 - (iv) Pays for the airbag snow jump
 - (v) Pays for new equipment
 - (vi) Pays for coach training
 - (vii) Pays for events (Canada Cup, Yukon Champs, sled laps)
- b) Subsidized registration for those members that work bingos by \$200 per bingo
- c) Allows athletes to collect credits in an account for them to be used at a later date
- d) Promotes freestyle skiing in the community
- e) Builds on the athletes 'work skills' in a safe and fun environment

How many bingos does each program require, if I choose the bingo option?

- a) Fundamentalz Program - 3 Bingos
- b) Jr. Freestylerz Program - 7 Bingos
- c) Sr. Freestylerz Program - 7 Bingos
- d) Development Team - 10 Bingos

What if I choose the option not to work bingos when I register?

You will be required to pay the full amount for registration instead of working bingos to help subsidize registration.

Will my athlete still have an athlete bingo account with credit for use at a later date if I choose not to work bingos?

No, your athlete will only get an athlete bingo account when the bingo option is selected during registration. The credits accumulate when your athlete/parent work bingos.

How does bingo subsidize registration and benefit my athlete?

For every required bingo worked, \$200 is applied towards your athletes program registration. The YFSA does not require parents to pay this amount upfront, but expects your athlete to fulfill their required bingo allotment.

For every bingo worked for or by an athlete, \$75 credit is attached to the athlete's freestyle bingo account. This money can be used for the athlete within the freestyle community.

Should your athlete work more than his/hers required bingo allotment, the \$200 for registration is given to the club, but the athlete still receives the \$75 athlete credit.

Program	Registration Amount (Bingo Option)	# Bingos to work	Funds from Worked Bingos	Total Amount for Registration	Total Athlete Credits from Worked Bingos
Fundamentals	\$550	3	\$600	\$1150	\$225
Jr. Freestylers	\$700	7	\$1400	\$2100	\$525
Sr. Freestyler	\$700	7	\$1400	\$2100	\$525
Developmental Team	\$900	10	\$2000	\$2900	\$750

What if I don't work all of my bingos that I was required to work?

If all of your athletes bingos were not completed by June, the YFSA will send you an invoice for the remaining bingos. Each bingo will be charged out at \$200 per bingo. Your athlete will not receive athlete credits for the missed bingos.

What if I 'no-show' for a bingo I was scheduled to work?

The YFSA asks that you or your athlete try not to no-show, as it is hard to find last minute coverage. You will receive an invoice for the missed bingo at the end of the season.

Can athletes bingo credits be used in advance?

Unfortunately, YFSA cannot advance bingo credits to athletes. You can only use credits you have already earned.

What can my athlete use their bingo credits towards in the freestyle community?

- a) Registration for YFSA programs
- b) Registration for YFSA Christmas & Spring Break Camps
- c) Summer Ski Camp (Momentum, Maximums, Yukon Freestyle)
- d) Athlete training costs within Freestyle Yukon (dryland, head-start-pro, airbag, extra trampoline, summer training, Yukon champs, rail jams)
- e) Travel to Freestyle competitions within Canada (flights, accommodations, food at comps, coaching costs at comps, registration for comp, lift tickets for comp)

This money cannot be taken out in cash.

How do I use my bingo credits?

You will be required to pay up-front for the items you wish to purchase, and then submit a receipt for reimbursement to YFSA. Receipts will not be accepted after 60 days. It is the responsibility of the parent/athlete to make sure the purchase is on the accepted uses of funds list and to have the original receipt.

Credits will not be released without the submission of the original receipt.

What happens to my bingo credits if my athlete quits Yukon Freestyle?

If your athlete does not stay with the club but still has bingo credits, the athlete's credits are donated to the club and will be used to help pay for coaching fees, trampoline room rent, etc.

Can I give my athletes bingo credits to another athlete?

Unfortunately, bingo credits are non-transferable. The athlete that earns the credits is the only athlete that can use the credits.

What do I need to know about working a YFSA Sunday evening bingo?

- a) Bingo is on Sunday evenings at the Elks Hall on Hawkins Street
- b) A bingo shift starts at 3:30pm and ends between 8:30pm and 8:45pm
- c) All bingo workers must be at least 12 years old, unless working with a parent (which only counts as one bingo)
- d) If you cancel a bingo shift, it is your responsibility for finding a replacement or you will be charged for the no-show
- e) Bring food, water and walking shoes for your bingo shift
- f) No cell phones are allowed on the floor, while working bingos
- g) Breaks must be taken at opposite times as other floor worker, and not during any bingo intermissions
